BARTUBELESS

QUANDO SCEGLIERLO
Questa è la soluzione più economica e veloce per trasformare le tue ruote a raggi in ruote tubeless con Bartubeless® System, il sistema tubeless garantito 10 anni. Basta spedire le tue ruote alla nostra sede seguendo le indicazioni riportate sul sito e realizzeremo la conversione tubeless a regola d'arte con garanzia di 10 anni. L'applicazionne del Sistema Bartubeless necessita che le tue ruote abbiano cerchi con bordo anti stallonnamento. Se una o entrambe le ruote non ce l'hanno di serie devi scegliere i PACK o i WHEELSET.

WHEN TO CHOOSE IT
This is the fastest and most economical solution for converting your spoked wheels to tubeless with the Bartubeless® System, the tubeless system guaranteed for 10 years. Simply ship your wheels to us following the instructions on the website, and we'll carry out the tubeless conversion expertly with a 10-year warranty. The Bartubeless System requires that your wheels have bead-breaking rims. If one or both wheels are not of the original year, you must choose the PACK or WHEELSET.
